## Ranger City Riders Monthly News Letter

April 2018

### WELCOME NEW MEMBERS:

WHAT'S NEW / THINGS YOU SHOULD KNOW: RCR MEMBERSHIP RENEWAL CHANGES EFFECTIVE JULY 1, 2018 - Ranger City Riders will be changing the membership due date to run from July 1st to June 30th of each year. You will receive in May with the newsletter a membership application due back by July 1, 2018 which will be valid until June 30, 2019. If we don't receive your membership renewal returned within 60 days of expiration we will change your status to an inactive member and your AWSC membership will not be renewed which can cause delay in your trail pass. This change is to better help our membership volunteers to better manage and create a little less work for them as in the past they have been taking care of memberships every month. This will also line up with most recreational registration and Trail pass renewal dates. If you have any questions please contact an RCR Board Member.
